Tuesday FUN RUNS are held each week at 6:30PM (6:15 in March and September-6:00 in October) at a different location around the county. They are not races; they are just a FUN way for people to run with other people in a variety of places. Courses are usually three to seven miles long (with shorter options) and anyone can easily find another runner of similar speed and ability. After the run we have refreshments and socialize (what we call "Part 2"). During the summer months, runs are usually at a member's house. The member (with helpers) lays out various courses and hosts part 2.

Everyone is welcome and encouraged to attend.

Any questions call or text Stephanie Miller (717-951-9453) or Kathi Markley (717-330-9357). For the specific Run call the contact person.
