

2019 ANNUAL  
PUBLICATION OF  
THE LANCASTER  
ROAD RUNNERS  
CLUB

For 41 years, the LRRRC has attracted runners from all walks of life! We are young, and older, we are fast and slow. Some of us are brand new to the club and others have been around for over 30 years! WE ARE NOT ELITIST. Our focus is on enjoying each other's company and having an awesome time.

Getting in good shape is an added bonus! Running is what

brings us together. We love our club. We love our members!

We run, walk, jog and we train – on our city streets, picturesque back roads and back wood trails. We enjoy good company, good food and drink and the beautiful Lancaster County countryside.

We offer fun runs, fun races and races including the Smith's Challenge and the Stoudts Brewery Distance Classic and others.

I grew up most of my life in the Lancaster area. I enjoy running and hadn't had much opportunity to do so until the last few years. Tired of running by myself and looking for running buddies I could count on, I came out to an LRRC run at the county park one Sunday. The rest was history.

I am usually present at every weekly run the club puts on and then some. I really enjoy trail running. I enjoy the camaraderie and the true friendships I have made and that yes - someone will always show up to a run no matter what.

The club means something to each of us in our own unique way and running unites us. I love our club and the fine people that make up the LRRC and look forward to serving the club as a Co-President on the board. See you out and about and happy running.

I first started attending LRRC functions back at the turn of the century. As I was not an avid runner at the time, I enjoyed the company and festivities of the group. After meeting Debbie, I increased my running regime and set some high goals. I adapted my training experiences in cycling and running to step into a leadership role with an overall focus on coaching and to better the running community. I have been a board member since 2013 and enjoy directing the Smith's Challenge and being the MC at the extravagant Presidential Awards Banquet. I look forward to bringing in new members and retaining our seasoned athletes.

**Dan Nephin**

When I moved to Lancaster in fall 2011, one of the first things I did was seek out the local running club to meet like-minded people and rejuvenate my running.

The club has given me so much: True friendships - beyond casual relationships built around a mutual interest - inspiration and encouragement.

I'm usually at Sunday park trail runs, but generally not other regular events for one reason or another. Example: I train with the F&M Track Club on Tuesdays, which are LRRC's fun run days. (If you're interested in speed work, contact me about that club. There are a number of LRRCers in it.)

I've helped with LRRC events when I've been able and I look forward to giving more input and guidance as co-president. Be well and run well.

## ***The Fun Runs – All are Invited***

### ***Tuesday Nights***

#### ***Spring, Summer, and into Early Fall***

After the clocks change in the spring, club members open their hearts and homes. Courses distances vary from 3, 5, and 7 miles, more or less. It's not unusual for close to 60 runners and walkers to join us for these warm-weather runs held throughout Lancaster County every week. There is no clock or competition unless you want to challenge yourself. Return to the host's home for food, drink and fellowship.

The club posts the schedule for our warm-weather runs on our website. That schedule includes the location, address, start time and other information for each week's run.

### ***Tuesday Nights***

#### ***Late Fall, Winter and into Early Spring***

When the clocks fall back to the dark season, we continue to meet for our weekly runs at Longs Park. After the run, the social part (PART 2) convenes at a local watering hole. Past part 2's have been at Spring House, Station House, Miller's, etc.

### ***Thursday Evening Trails***

All year long, the club organizes weekly trail runs on Thursday nights. Check the club website for locations or join our club Facebook page for Thursday run information. We rotate locations, mostly within Lancaster County. Of course runs are followed with a Part 2.

### ***Sunday in the Park***

Every Sunday, at 7:30 AM all year round, the club meets at Lancaster County Central Park at the swimming pool parking lot, Part 2 to follow.

### ***First Saturday Trail Runs***
